Cross Roads (Sisterhood Book 18) Fern Michaels The Sisterhood Will Not Be Broken

It's been a year and a half since the women of the Sisterhood received their presidential pardons, but the freedom they craved has come at a high price. The impossibly lucrative positions handed out to them by the mysterious Global Securities company have turned out to be golden handcuffs--scattering them around the world, cutting off communication, and leaving them in miserable isolation.

But a happy homecoming at the old Virginia farmhouse is marred by the hijacking of Nikki and Kathryn's private jet. It seems their few fellow passengers are not ordinary travelers--they're an elite group of Interpol agents who urgently need the Sisterhood's help. Now the ladies face a stark choice: resume their vigilante status for one of their most hazardous assignments yet, or try to outwit a group of powerful adversaries willing to use truly desperate measures. This time, everything is in the balance--their lives, their friendship, and the freedom they fought so hard to gain. . .

Praise for Fern Michaels and her Sisterhood novels. . .
