Have you always been a TERRIBLE writer? Have you spent months or years trying to write a book, with continued failure?

Are you stuck in the vicious cycle of SUCKING at writing?

Or maybe **you've been thinking of writing a book for quite some time now**, and you just don't know how to get started. The whole process seems overwhelming.

This conversational and action oriented book is for people who want to write a book (or are thinking about it), but for their whole life, have never been good at writing.

Writing has always been difficult for you, and you think you could never enjoy it, much less write an entire book.

Every time you start to write anything **it's like all of your ideas disappear**.

You know the drill.

You get ready to do some writing. You're pumped and think this will be the day all of your great ideas flood the page.

Then ...

You find yourself staring at a blank screen. You have no idea what you want to write about. After some time, **you want to bang your head against the keyboard**.

You want to write a book. In fact, you know you have a book inside you but, you keep telling yourself: "I'm not a writer. I can't write a book. I don't have enough time anyway."

There are TONS of myths, misconceptions, and flat-out lies out there about how difficult it is to write your first book.

How to Not SUCK at Writing Your First Book busts those myths and **challenges everything you've been told about writing**.

This book is filled with proven **solutions, options, and problem-solving methods** that every first-time author needs to know—no matter what writing challenges you face.

How to Not SUCK at Writing Your First Book gives you the foundation for your first book through:

- 4 tried and true writing methods that make the writing process simple, easy & fast
- A writing method that involves 0 actual writing (your book can be done in as little as 7 hours)
- Simple strategies for preventing & defeating writer's block
- Uncovering the #1 way to actually finish and publish your book (hint: is has nothing to do with writing)
- Shows you how simple and fast writing a book can actually be (by holding your hand every step of the way).

Follow the advice given in this book and by the end, after putting what I have to say into action, you will have easily written a high-quality book.

Best of all, the rest of **your life doesn't have to be put on hold** to do it either!

This book shows you how you can continue to spend most of your time doing what you love instead of struggling through something you hate.

Before your buy the book, I have one question for you:

What's stopping you from turning your daily conversations and knowledge into a high-quality book faster than you ever thought possible?

Scroll to the top and click the "buy now" button and you *will* write your first book-- and not suck at it.
