Sure, she looks a little different now, what with the boobs and a little help from a flat iron, but really? Deciding she needs to get the man out of her system, Sadie negotiates a way for Ethan to make up for his mistake: a one-night stand. She figures after they do the deed, he'll head back to New York and she'll finally be able to let go. But when Ethan has to move back to the small town of Meadowview and work side-by-side with Sadie, she realizes she couldn't be more wrong about the letting go part of her plan. Because Ethan has and always will be...forever the one.
