Virtual Laboratories for Physical Anthropology CD-ROM, Version 4.0 (Available Titles CengageNOW) John Kappelman

Through the use of video segments, interactive exercises, quizzes, 3-D animations, sound, and digital images, students can actively participate in 12 labs on their terms--at home, in the library, or at any time! Recent fossil discoveries are included, as well as exercises in behavior and archaeology, and critical-thinking and problem-solving activities. When you order Virtual Laboratories on the web-based CengageNOW platform, a powerful course management component allows you to reorder the labs, move content within the labs, utilize the pre-lab and post-lab tests for each lab, and track how much time students spend on each lab. Virtual Laboratories includes Web links, outstanding fossil images, exercises, a notebook feature, and a post-lab self-quiz. Virtual Laboratories is also available on CD (with a portion of the features and functionality of the online version).
