**American Dream: Three Women, Ten Kids, and a Nation's Drive to End Welfare [Paperback] [2005] (Author) Jason DeParle**

In this definitive work, two-time Pulitzer finalist Jason DeParle cuts between the mean streets of Milwaukee and the corridors of Washington to produce a masterpiece of literary journalism. At the heart of the story are three cousins whose different lives follow similar trajectories. Leaving welfare, Angie puts her heart in her work. Jewell bets on an imprisoned man. Opal guards a tragic secret that threatens her kids and her life. DeParle traces their family history back six generations to slavery and weaves poor people, politicians, reformers, and rogues into a spellbinding epic.
