Babies With Down Syndrome: A New Parent's Guide (The Special-Needs Collection)

Babies With Down Syndrome: A New Parent's Guide (The Special-Needs Collection)

The book that thousands of new parents and professionals have turned to as their first source of information on Down syndrome. This classic guide provides new parents with straightforward and compassionate advice and insight. It helps families become more confident in their ability to cope, to learn about their child's development, to know where to seek help, and to advocate for their child. This second edition, written by the same knowledgeable parents and professionals who contributed to the first edition, covers these important areas: diagnosis; medical concerns & treatment; coping with your emotions; daily care; family life; early intervention; special education; and legal rights. The satisfying blend of practical information and emotional support make BABIES WITH DOWN SYNDROME the guide new families will want to refer to first.
