## **Paws for Thought** Preben Andersen

Now that the master has permitted me to contribute an article in one of his columns in the Free Press, I am beginning to think that there may be a place for me to write some more in my own right while I still have the breath and the wits to do so.

And just to show that he is not the only one to use the world wide web - and kindle books - this is where I intend to share my views with all my potential readers, at least to start with.

So here goes.....

(Zoe is multi-talented and an unique dog, who voices her opinions on all kinds of subjects, many of them involving various stories from the Bible.

She even woof read her book manuscript herself.

Her favourite hobby is in chasing rabbits and squirrels (though she admits that, so far, she has had little success).

Zoe has already told me that she is not sure how she is going to manage to cope with all the fame and attention that may come her way once her Kindle Book, 'Paws for Thought', is published.

And, Zoe mentioned to me recently that another book is in the course of preparation.....

Zoe wishes to say that she is indebted to her Master (Rev Preben Andersen) for allowing her to put 'paw to paper' – and thus providing her with this wonderful opportunity for making friends with lots more people).
