Saint (Sinners & Saints Book 2) Katheryn Kiden

Harper Blake spent her entire life trying to live up to her parents' impossibly high standards. After her choice to take off for the summer becomes the worst decision she thought she could ever make, it turns out the repercussions might be worse. Her decisions have her constantly watching over her shoulder, waiting for the next shoe to drop and her last breath to come.

Cooper Hayes felt like he had his life figured out again after devastation flipped his world upside down. After a divorce and a move to Baltimore, one case leaves him questioning everything he's ever known. With his life pointed in a new direction yet again, he thinks he's ready for whatever life throws in his direction. Except her. He never expected his new path to put him right back in the middle of what he walked away from.

Neither one of them is prepared for what happens after their relationship goes from strictly professional to extremely personal.

She isn't afraid to love; she's afraid she won't live long enough to see it happen. He's more scared to put his heart out there than to lay his life on the line.
