Bram Stoker

The Lair of the White Worm (with The Lady of the Shroud) (Mystery & Supernatural) (Tales of Mystery & the Supernatural) Bram Stoker

With an Introduction by David Stuart Davies. Here are two great, neglected horror novels by Bram Stoker, author of Dracula, together in one volume for the first time. It is a double treat for lovers of blood-curdling fantasy fiction. The Lady of the Shroud, published here in its full and unabridged form, is a fascinating and engrossing concoction of a vampire tale, Ruritanian adventure story and science fiction romance. The novel fully demonstrates the breadth and ingenuity of Stokers imagination. The spine-chilling The Lair of the White Worm features a monstrous worm secreted for thousands of years in a bottomless well and able to metamorphose into a seductive woman of a reptilian beauty who survives on her victims life blood. The novel contains some of Stokers most graphic and grisly moments of horror.
