## Cometer Delitos Con Palabras (Spanish Edition) Miguelpolaino Navarrete

Derecho y lenguaje constituyen dos subsistemas sociales íntimamente relacionados que definen al ser humano como ser racional que expresa sentidos y se comunica con sus semejantes. En esta obra se analiza profundamente la conexión entre el Derecho y el lenguaje al hilo de la "teoría de los actos de habla", que tuvo en el filósofo británico del lenguaje John L. AUSTIN a su fundador y en el científico estadounidense John R. SEARLE a uno de sus continuadores, y que se expresa bajo el conocido título de "hacer cosas con las palabras". De manera especialmente lúcida y original, se analiza en el presente libro la hipótesis de comisión verbal de delitos, de realización de actos punibles mediante la emisión de enunciados verbales. En concreto, se relaciona la conocida clasificación austiniana de los actos locucionarios, ilocucionarios y perlocucionarios con las nuevas categorías dogmáticas del funcionalismo normativo en el Derecho penal, revisando agudamente los diversos ámbitos en que la palabra adquiere relevancia jurídico-penal como expresión de sentido.
