## **Lust Books One & Two: Special Edition Lucia Jordan**

Presented for the first time as a Special Edition are Books One and Two of Lucia Jordan's Bestselling series, 'Lust'.

Back in high school Claire and Brent used to joke that if they were not married to other people by the time they were thirty they would marry each other. Brent remembers his friend as the geeky, glasses wearing redhead, who was always a little too tall and skinny, and Claire remembers Brent as the shy guy with the nice smile and the gentlemanly manners. Neither of them is ready for the fact that Claire is a gorgeous, willowy beauty and Brent is a strapping virile man with a thick shock of blonde hair and a heart stopping, panty dropping smile. What begins with a blindfold develops into a deep exploration that leads far beyond friendship and their previous limits.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
