## Amazon.com Sales Rank Decoded: The Smart Seller's Guide to Best Seller Rank Jordan Malik

Amazon merchants: Confused about best seller rank when selecting inventory? You're not alone. Snobbish Amazon sellers will advise you to stay within a narrow best seller rank - WRONG! Do so and you can miss out on some huge profits.

Jordan Malik, an award winning Amazon seller with over \$135,000 in annual merchandise sales (and bestselling author of "How to Buy Low on eBay and Sell High on Amazon" and "Amazon Seller Secrets Exposed") unveils his strategy for deciphering best seller rank when you're scouting for merchandise (it's a lot simpler than you think).

This book contains REAL examples of inventory Jordan found with 'abysmal' best seller ranks that sold right away for big profits.
