## **Cerebral Palsy Resource Guide for Speech-Language Pathologists** Marilyn Seif Workinger

A new title in the Resource Guide Series, this text is a practical tool providing speech-language pathologists working in schools, clinics, or medical settings with information regarding the assessment and treatment of communication and feeding/swallowing disorders in children and adults with cerebral palsy. In addition to a cutting edge review of cerebral palsy, this resource provides assessment and treatment resources and tools that the clinician can use directly with clients. Case studies round out the book, providing users with excellent models of assessment and treatment in action with this special population.
