The Breath of God Over Essential Oils L. Emerson Ferrell

The sound of God's voice produced the frequency of light that created all things (Light Be). The whole universe both visible and invisible is vibrating at the frequencies of our heavenly Father. Light and sound are the life forces inside all the elements on earth including man. The highest frequency on earth is found in plants and their sole purpose is to serve mankind. They are one of the keepers of God's creation and are capable of exposing us to the nature and love of our heavenly Father. This book explores the treasures of essential oils both scientifically and spiritually. The power in the oils are revealed to those who trust the cross of Christ and His eternal victory over sin, sickness and disease. Those who understand this, will use them as a vehicle to enhance their faith to overcome disease and oppression. Those who are ready to take a quantum leap into the mind and heart of their heavenly Father will be equipped by this book.
