The Etheric Body of Man: The Bridge of Consciousness (Quest Book) Lawrence J Bendit, Phoebe D Bendit

A Clairvoyant and a Psychiatrist pool their talents in a study of the human health aura! No other work can speak to this subject with such confidence. Imagine: (1) Taking one of the most respected clairvoyants in the world, and (2) a psychiatrist recognized for his fine contributions to his field, (3) having the clairvoyant study the aura of a human subject using her unusual talents, (4) having the psychiatrist study the psyche of the same subject, and, finally, (5) integrating their observations to arrive at new and startling conclusions concerning the subtle (physically invisible) human bodies. It has never been done before. It may never be done again.
