## Unusually Stupid Celebrities: A Compendium of All-Star Stupidity Kathryn Petras, Ross Petras

The Greeks honored Zeus, the Romans revered Juno, but modern civilization worships a different sort of god: Celebrity. Face it, we follow the stars' every move, fashion choice, and deliciously dishy affairs. Now Kathryn Petras and Ross Petras, authors of *Unusually Stupid Americans*, pull the demanding divas, screwball stars, and celebu-twits off their pedestals—and prove it doesn't take a degree in rocket science to become famous. Cases in point:

- Courtney Love misses an important court date relating to “possession of a controlled substance” because she can’t find a professional bodyguard at the last minute.
- Mariah Carey’s entourage includes a skirt-from-touching-floor specialist, a towel hand-off person, and a professional drink holder/lifter.
- Savvy traveler Paris Hilton concludes that all of Europe is, “like, French.”
- Mensa candidate and rocker Tommy Lee is pretty sure that Winston Churchill was president during the Civil War, that the numeric equivalent of pi is “the two>equals=MC=squared thing,” and that an isosceles triangle is “somewhere in Bermuda.”

Feuds, faith, family, money, sex, tantrums, travel—no star-studded stone is left unturned. Filled with jaw-dropping anecdotes, quirky quotes, and special stupid-celebrity awards, *Unusually Stupid Celebrities* provides a red-faced glimpse of the red carpet.
