The tax protester manifesto, written by a leading organizer of the tea party protests

On April 15, 2009, a grassroots contingency of Americans that would soon become known around the world as the Tea Party made front-page news. Angered by years of excessive government spending-taxpayer financed bailouts of businesses deemed too big to fail and taxpayer handouts to special interest groups-Americans of all ages and all walks of life took to the streets to take back their country. *A New American Tea Party: The Counterrevolution Against Bailouts, Handouts, Reckless Spending, and More Taxes* is their story, and it's your guide for contributing to the movement to rein in government spending. The book

- Summarizes the Tea Party movement
- Explains how the Tea Party protests were organized
- Presents a call to action for continuing protests and describes how to best coordinate them

The debt resulting from today's reckless government spending will eventually result in massive tax hikes. *A New American Tea Party* shows how to focus your outrage into a productive movement that will make a positive difference.
