Don't Do It

David Penn

Don't Do It David Penn

This book is written as a warning to men, especially those who are of the Christian faith, about the perils of adultery. The author uses a pseudonym to protect his wife and stepchildren from undue shame and humiliation. However, it is with a sense of urgency that he shares his personal story, praying that those who read it will not fall into the traps that wounded his family. He tells readers it is possible to survive marital infidelity, but the better, wiser choice is to avoid it altogether.
