New Hampshire and the Civil War:: Voices from the Granite State (Civil War Series) Bruce D. Heald
The Granite State has a remarkable record of service during the Civil War. It supplied a total of 10,657 recruits for the infantry, cavalry and field artillery divisions in 1861, with the majority of these first recruits enlisting for three years of service. Historian Bruce Heald lets the soldiers and sailors tell their stories in their own words by weaving together the letters to those left behind--families in Portsmouth and Nashua and sweethearts in Concord and Manchester. Heald includes brief introductions to each volunteer regiment, accounts of more than one hundred personal letters and an in-depth look at camp life. This book offers a personal and intimate connection with New Hampshire during the War Between the States through the voices of its heroic sons.
