## Privatize This?: Assessing the Opportunities and Costs of Privatization Richard McGowan

This book offers an expert examination of the ideology and motives behind the privatization or the nationalization of an industry, based on real case studies.

- Nine case studies of privatization in a variety of contexts: cigarette and alcohol sales, oil production, port facilities, public transportation, prison management, and lotteries
- Charts and figures for production and costs throughout each case study
- A bibliography for each case study, as well as a comprehensive bibliography for the entire book
- A comprehensive index of all topics, firms, policymakers, and important terminology
