HIS MISSION

Ensign Jesse Denison and his comrades on SEAL Team 14 have a new assignment: rescue a group of civilian hostages who have been kidnapped by a rogue terrorist cell in central Somalia. Little does he know, this seemingly innocuous rescue mission will change his life forever...

HER HEART

After she is rescued by Navy SEAL Jesse Denison, petroleum engineer, Lena Westlake, can't get the handsome, brooding soldier out of her mind. Despite their intense attraction to one another, Lena doesn't have a reason to believe that the two of them will meet again after her rescue.

NOTHING IS AS IT SEEMS

When Lena is attacked again by the same terrorist cell mere days after her first rescue, Jesse comes to realize that this terror group has a broader, deadlier agenda than just oil production disruption in Sub-Saharan Africa. An agenda that includes the acquisition of a cutting edge weapons technology developed by Lena's father...

Will Jesse be able to save the woman he has grown to love before it's too late? Or will Lena share a similar fate to another woman he loved but could not save...
