Ever find yourself "sitting on a 'stump'"--Asking how you got there? Inquiring-- What do I do now? Questioning--Where do I go from here? or Wondering--How will I get there? That's where Ken found himself after a terrible automobile accident. All of a sudden, he was at the end of "Life's Road", sitting on a "stump"-his decision was made for him as he was taken on a "trip" to visit Hell and then on to Heaven. He tries to describe both in detail the best that he can, but he says it is really impossible to "really" depict them as he experienced. "It is impossible to use words that would accurately portray "Horrible Hell" and "Wonderful Heaven", he asserts. Ken adds, "That "The devil wanted to keep me" and God gave me a "message" to bring back and tell everyone about it." A "choice" is provided for the reader that will give them an "After-Life Insurance" Policy and it's FREE. Experience some of what Ken encountered on his "trip". Accept the "Challenge" that is given you! A "Life-changing" experience for Ken and his family and it can be for you, also. A simple book with a compelling message! This book was written out of obedience to God's direction.
