Joseph Lee:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
