Suffering is not for nothing. Must we stumble through sorrow and tragedy without understanding or is there a lighted way-a path-through suffering? Elisabeth Elliot plots the treacherous passage through pain, grief, and loss, a journey most of us will make many times in our life. Through it all, she says, there is only one reliable path, and if you walk it, you will see the transformation of all your losses, heartbreaks, and tragedies into something strong and purposeful. In this powerfully moving book, Elisabeth Elliot does not hesitate to ask hard questions, to examine tenderly the hurts we suffer, and to explore boldly the nature of a God whose sovereign care for us is so intimate and perfect that he confounds our finite understanding. A Path through Suffering is a book for anyone searching for faith, comfort, and assurance. It is an honest book about the way our merciful God draws us close to himself and expands our capacity for surrender and obedience in order that we might finally share in his resurrection glory.
