Limited time only, get this Amazon bestseller for just \$0.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

You're about to discover the easiest and most effective way to profit from day trading. A revolutionary system for you to trade purely based on price action.

To those of you who want to make a lot of money by investing but don't want to take large losses. Here's the basic fact, trading is a competition, there are winners and losers. If you are going to win, you need to get an edge, a really good edge. Something that would allow you to profit over the bankers, the institutions and other professional traders.

One thing to keep in mind is that over 70% of all the volume in the market is done via the use of algorithms or black box traders. This means that most of the volume in the market traded is not actually done by a human, but rather formulas that are automated to trade certain parameters. And my strategies teach you how to find those trigger points to trade alongside with most algorithms and profit in any market conditions. You will learn about the newest way to find important price levels, as well as how to structure your trades with cutting edge technical analysis and risk management.

Here Is A Preview Of What You'll Learn...

- Air Protection Theory
- Algo Triggers
- Daily Patterns
- Intraday Patterns
- Advanced VWAP Trading Strategies
- Volume Top and Bottom Reversals
