Connects theory to reality

Exploring Marriages and Families, 2/e by Karen T. Seccombe illustrates the ways in which historical, cultural, social, and political factors influence readers' decision making in relationships. Grounded in theory and the most up-to-date research, this title takes an integrated focus on assessment helping readers gain a better understanding of the social context in which they live and the relevance of social science to their lives.

MySocLab is an integral part of the Seccombe learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series.

This title is available in a variety of formats — digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.
