Just in time for summer comes the perfect beach read! Humor and romance abound in this fresh, fun take on summer love.

Nikki may spend the school year on the New England mainland at the ritzy Richfield Academy (on scholarship), but during the summer, she returns home to the decidedly less-posh Pelican Island. Despite an invite from her rich friend Blair, Nikki has to spend the summer working at her parents' sandwich shop. During one of her deliveries to the mainland, she meets Daniel Babcock, and they begin a whirlwind summer romance. But when Blair invites Nikki to spend the weekend, Nikki sees her walking hand in hand...with Daniel!

Can summer love survive?

### **From reader reviews:**

#### **Stephanie Matias:**

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take Island Summer (I Heart Bikinis) as your daily resource information.

#### **Valerie Bell:**

Playing with family within a park, coming to see the water world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Island Summer (I Heart Bikinis), you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

#### **Mary James:**

Many people spending their time by playing outside having friends, fun activity having family or just watching TV the whole day. You can have new activity to invest your whole day by reading a book. Ugh, think reading a book will surely hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like Island Summer (I Heart Bikinis) which is finding the e-book version. So , why not try out this book? Let's find.

#### **Maria McGhee:**

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book was rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading, not only science book and also novel and Island Summer (I Heart Bikinis) or perhaps others sources were given information for you. After you know how the truly amazing a book, you feel wish to read more and more. Science publication was created for teacher or perhaps students especially. Those textbooks are helping them to add their knowledge. In some other case, beside science guide, any other book likes Island Summer (I Heart Bikinis) to make your spare time far more colorful. Many types of book like this one.
