Facilitate fine-motor development in special-education students in pre-kindergarten–grade 1 using Fine Motor Fun! This 160-page book is full of suggestions and reproducible activities that strengthen fine-motor and visual-perception skills. It includes scissors skills, lacing cards, stencils, finger plays, stringing activities, dot-to-dots, tracing, finish-the-picture activities, mazes, and tactile and first-pencil experiences. The book supports NCTE and NAEYC standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
