## **Trail of the Assassin (The Gunsmith Book 102) J.R. Roberts**

Clint Adams can't exactly say no when the President of the United States asks for his help. But he dang sure wishes he could. This job is mighty big—and dangerous. The Gunsmith has to baby-sit some hotshots visiting from India, but that's not the whole story. Fact is, the President knows someone's out for his hide—and he wants Clint to make sure the would-be assassin doesn't succeed!

Now the President's dodging lead and those friendly visitors have brought a load of trouble along with them. The Gunsmith's got a lot of questions. And only the President's right-hand men—and an obliging beauty from Bombay—might have some answers for him.

If any of them can be trusted, that is... and if they live long enough to tell.
