Becoming a Trustworthy Leader: Psychology and Practice (LEADERSHIP: Research and Practice)

Aneil K. Mishra, Karen E. Mishra

It's time to discover a new way for individuals to lead organizations and societies. Trust in a variety of institutions, including governmental and business, is at an all-time low. In order to strengthen society from its foundations, we need to rebuild trust. Research shows that leaders are critical to building trust in organizations, and that trust in leadership is significantly related to a number of attitudes, behaviors and performance outcomes. This new book, with its emphasis on the critical role of leadership in trust-building as well as the novel perspective on the trust circle of leadership, will be of interest to all students and researchers studying leadership, management and organizational behavior.
