An updated version of this classic children's song of a mischievous little dog is now available for another generation to enjoy.

After being scolded by his young owner, the little dog with his ears cut short and his tail cut long runs away from home. When the little dog's adventures climbing a mountain, surfing in the sea, and riding in a rodeo go awry, the little dog decides to return to the one place he loves best. With a wagging tail and a joyful heart, the little dog is home to stay with the little girl who loves him best.
