## **Threads of Faithfulness** W.L. Schmidt

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then I will hear from heaven, and will forgive their sin, and heal their land."

II Chronicles 7:14

Threads of Faithfulness investigates the shroud of secrecy surrounding one pivotal violent act on American soil, the 1967 collapse of the Silver Bridge that connected Point Pleasant, West Virginia, and Gallipolis, Ohio. Although it was initially classified as a probable accident, the official investigation left indispensable elements of their inquiry unresolved. Some evidence indicates that the incident has the signature characteristics of an act of terrorism, leaving W.L. Schmidt to speculate whether the initial report was a strategy to conceal the depth of security concerns in America.

Schmidt plunges the reader into the chaotic time after the assassination of President John F. Kennedy when traitors and spies embedded deep in America's intelligence community covertly compromised our military efforts during the Vietnam War. Although most Americans were unaware of the seriousness of the threats facing the nation at the time, many Christians instinctively followed II Chronicles 7:14 and fervently returned to their deep faith in God. In turn, the Lord stepped through the portals of time as he had done many times throughout recorded history, including for the Hebrews at the Red Sea, for Emperor Constantine at the Battle of Milvian Bridge, and for the Allies at D-Day. The book dramatically explains how God heard the prayers of his people during the Vietnam War and changed the course of history, especially in the matrix of events surrounding the Silver Bridge disaster itself.

A portion of the proceeds from the sales of this book will be donated to the Voice of the Martyrs and the Wounded Warrior Project.
