Pitcher Jace Richards had it all. Fame, status, money, and the perfect girl but it wasn't enough. Unable to curb his gambling addiction, he lost everything. Now banned from the MLB, he's struggling to get his feet back on the ground. Laurel Darbis is the mom to ten-year-old Grey. Her son is her world and she'd do anything for him, including putting up with her cheating ex-husband, Adam. He doesn't make things easy on her but with her friends and family by her side, she has a strong support system to help her deal with his petty drama. Grey is about to start baseball with his friends but their coach backs out at the last minute. All of the parents are thrilled when the new coach arrives, everyone except Laurel. Can the former bad boy tame his ways for the sake of his players? Will the protective mother let down her guard? Either way, no one will ever expect what happens when the two match up.
