Rachel, the **young, fanciful and untouched girl**, has always been enamored with old tales of **powerful, muscular vikings**. The kind of **strong, handsome, and rugged men** that simply didn't exist anymore. Though it seemed her dream of being taken by one would never come to fruition...

But one day, Rachel stumbles across a mysterious old woman with a rather unusual device. One which promises to let her see the old characters of lore... The **youthful lass** quickly finds herself swirling in blackness, lost in time, and when she awakes – Rachel is in a place she's never seen before.

Though sure enough, a group of powerful viking men with long beards and even **longer manhoods...** come swooping in. Seeing how pretty the girl is, and how closely she resembles the ancient legends, she is to be wed to the chieftain of the tribe – but first, Rachel must be sampled by **all members** of the clan! **Rugged, rough, and without protection!**

It will be her **first time** ever experiencing such **wanton pleasures...** and my god, is she going to love it!
