## **The Tradewinds: Ticket To Ride Philip Wikel**

Ticket to Ride is a timeless tale of two writers coming-of-age. While it's set in the late 70s Ticket to Ride is as universal in its message as Homer's *Odyssey*.

Enriched with allusions to literary and rock 'n roll classics, readers of Ticket to Ride will see Morgan and Livy moving from being innocent 17-year-olds to becoming fully realized adults and, like America, anxiously redefining the ideas of "Life, Liberty, and the Pursuit of Happiness."

Ticket to Ride is comprised of two parts, subtitled *Just Another Day* and *Got to Get You into My Life*. *Got to get You into My Life* is the story of Morgan Blake who struggles with the fear of becoming like his angry, alcoholic father. Yearning to find a greater sense of peace and freedom, authentic love and his own voice as a writer, Morgan sets off on an odyssey, both internal and external. The second part, *Just Another Day* is the story of young Olivia Tinsley, a poor girl from East Finchley/London and her determination to raise herself from poverty and become a successful, self-reliant, and outspoken writer. Her journey includes meetings with hippies in Spain, U2 in Ireland and feminists in the extreme.
