The Vocation of Anglican Theology presents a contemporary Anglican theology rooted in its sources but reaching into the future. A range of leading Anglican theologians - Rowan Williams, Ellen Charry, Kenneth Stevenson, Mark Chapman, Kathryn Tanner, Richard Norris and Christopher A. Beeley - reflect on key theological subjects such as Christology, ecclesiology and eschatology.

Each subject pairs a selection of excerpts from Anglican theologians with an essay. This text is ideal for use in courses on Anglican theology. Indeed, it is hoped that it will prove to be the standard text for courses in Anglican theology throughout the Anglican Communion. In one volume, the student can meet Anglican theologians from the past and in the present, with the opportunity to learn and to inhabit a common Anglican future
