Star Struck lovers...from the Stars! Their meeting was miraculous, and they knew it...Now the adventure of a lifetime, or many lifetimes awaits them as they travel from the depths of outer space to Earth, in the year 2139 A D. Her people forbade their union. But as is often the case when the frequencies of Love draw on the hearts of the young, they would dare anything, just to be together, even on the soil of a foreign planet in a foreign galaxy trillions of light years away...Taking jobs on an Explorer Class Spaceship that was headed that way, then requesting amnesty and freedom, they were allotted their own Special Class Spaceship and the supplies necessary to set up home on Earth. They thought they were ready for anything but little did they know the nature of the challenge that waited them.
