Judith Resnik, Dennis Curtis

Representing Justice: Invention, Controversy, and Rights in City-States and Democratic Courtrooms (Yale Law Library Series in Legal History and Reference) Judith Resnik, Dennis Curtis

By mapping the remarkable run of the icon of Justice, a woman with scales and sword, and by tracing the development of public spaces dedicated to justice—courthouses—the authors explore the evolution of adjudication into its modern form as well as the intimate relationship between the courts and democracy. The authors analyze how Renaissance “rites” of judgment turned into democratic “rights,” requiring governments to respect judicial independence, provide open and public hearings, and accord access and dignity to “every person.” With over 220 images, readers can see both the longevity of aspirations for justice and the transformation of courts, as well as understand that, while venerable, courts are also vulnerable institutions that should not be taken for granted.

This particular Representing Justice: Invention, Controversy, and Rights in City-States and Democratic Courtrooms (Yale Law Library Series in Legal History and Reference) can give you a lot of friends because by you looking at this one book you have point that they don't and make you actually more like an interesting person. This kind of book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't recognize, by knowing more than some other make you to be great folks. So , why hesitate? Let me have Representing Justice: Invention, Controversy, and Rights in City-States and Democratic Courtrooms (Yale Law Library Series in Legal History and Reference).

Karen Schanz:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Representing Justice: Invention, Controversy, and Rights in City-States and Democratic Courtrooms (Yale Law Library Series in Legal History and Reference) can make you really feel more interested to read.
