## **The Complete Novices Guide To Building A Website From Scratch: No experience or programming skills required! Mark Reynolds**

The Complete Novices Guide To Building A Website From Scratch will simply walk you step by step through the process of building your very own website. No experience or programming skills required!

### **Who This Book Is For**

The Complete Novices Guide To Building A Website From Scratch is aimed and specially written for people who...

- Are novices or have little or no experience building websites.
- Want to set up a website easily and quickly.
- Are interested in creating a website in order to turn it into a money making venture.
- Who have no coding experience.

### **How This Book Will Help You**

Most books on the market often claim to be aimed at the complete beginner, but they fail to deliver on their promises! The Complete Novices Guide To Building A Website From Scratch is different! It is not only written with the complete beginner in mind – but offers straight forward non complex information that anyone can understand. The most information is presented to the reader in three easy ways.

- Written / explanatory form throughout the book(first you read about it)
- Pictorial form via images.(then you see the images)
- Video form via video tutorial that you can access through the book at a dedicated website set up for customers only!(finally you see it via videos)

### **Additional Bonuses!**

The Complete Novices Guide To Building A Website From Scratch goes above and beyond just building a simple website! The author walks the beginner through the most important aspects of setting up and running their own website successfully including...

- Keyword optimizing for flooding your website with paying traffic.
- Tips on how to create killer content for your website!
- How to pick a dynamite domain name!
- Monetization of your website via affiliate marketing, advertising and more!
- Avoiding common mistakes and pitfalls early on!
- How to engage and drive more customers to your site via back linking!
- How to use high authority sites in order to boost your own rankings in Google!
- Exclusive dedicated video tutorial website for E-book purchasers only!
- An optional(paid) web site ranking service to blast your website to page 1 in Google!

The Complete Novices Guide To Building A Website From Scratch is the only book a beginner will ever need in order to build their own website and make money from it!
