Untamed Lucia Jordan

Here is the first book of the 'Untamed' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion.

Stella Remington's life is in flux. A ten-year high-school reunion would be daunting enough for anybody, let alone after your high-school sweetheart and husband of ten years leaves you for another woman.

Reminiscing with old pals hardly interests Stella, in fact nothing does these days – that is until drop dead gorgeous Joshua Lambert makes his entrance.

Lambert, who was the captain of the football team always caught the attention of the girls who've thrown themselves at him. Now ten years later, he's an incredibly successful businessman and also a known playboy and millionaire. He's always managed to get his hands on everything he's desired, except the one that got away – Stella.

Their initial run in at the reunion stirs a hot flame in both of them but now his gaze is more intense than ever. But will Stella's damaged state keep her from opening up? Will they find themselves caught up in a fever of nostalgic, teenage love? And what will happen when he tries to educate her on his dominant tendencies?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
