POWER INTELLIGENCE. MASTERING YOUR MIRACLE MIND We are harwired to create miracles. Miracles are manifestations of our authentic self and are part of the emerging New Success DNA. We were created to live a life of love and abundace and we need not settle for anything less! Current research has revealed a guide spot, a miracle mind, primarily situated in the frontal lobes of the human brain. When we consciously connect to this spot, also known as the love spot, or 'God spot', we have access to the infinite potential of the universe. With the necessary understanding, skills and tools, we can tap into and utilise this universal power, intelligence, guidance and wisdom. Here we find the power to create miracles! At the same time we find the emerging of new human DNA. What once were perceived as 'junk-genes' in our DNA, are now turning out to be disabled connections to higher potential, or 'God genes'. This means success and prosperity are all encoded into our DNA and just waiting to be enabled and activated. However, we first need to develop a new level of consciousness, even a whole new mindset and a new intelligence, in order to utilise this potential and become miracle makers. Power Intelligence is the conscious ability to reclaim our power and reconnect, heal and enable our success DNA. In the process we learn to master our lower ego-self, gain access to our miracle mind and express our authentic self. We begin to create miracles as a natural part of life. Success is now taking on a whole new meaning and a New Success DNA is emerging as we speak. We have the power and we have the choice to accomplish this all. This is what this book is all about. This book provides answers to various questions of: What should we know and what should we do in order to lead happy, fulfilling, quality lives of success, love and abundace? Here we learn how to raise our awareness, develop our Power Intelligence, master our miracle mind and create success and prosperity for all. All spiritual Masters used this universal ability. We are equipped to do the same and follow in their footsteps. The time for us to reclaim our authentic self, develop Power Intelligence, become miracle minded and live quality lives of love and abundance, has arrived. We are all invited to join this journey of discovery and adventure.
