Visions of Danger

When Liz, Max, Maria, Michael, and Kyle left Roswell, they didn't think their lives would suddenly become perfect. They were, after all, on the run from the FBI. But they certainly didn't think things could get much *worse*. They're learning how wrong they were. The FBI has tracked them via their e-mail accounts and is hot on the group's trail. It can only be a matter of time before they are apprehended.

Meanwhile, in New York City, three alien Dupes are captured by the police. When the feds are brought on to the case, the Special Unit recognizes the Dupes -- and wonders why "Tess," "Michael," and "Isabel" have changed so much since their last encounter. Little does the Unit know it is dealing with a case of mistaken identity. And the *real* Isabel has more pressing concerns, if Liz's latest vision is to be believed....
