Why Suffering?: Finding Meaning and Comfort When Life Doesn't Make Sense Ravi Zacharias, Vince Vitale

Why would a loving and powerful God allow so much pain and suffering? In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. In comparison with other world religions, the Christian response is highly distinctive.

Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. WHY SUFFERING? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.
