## **DISCOVER: How to Win Over every Gig or Concert Crowd**

Do you suffer from luke-warm or indifferent crowd reactions you play live shows? Are you looking for ways to improve your stage craft and your interaction with audiences as a musician or performer? Would you like to be able to play the kind of performances which will build your fan base or music career – and give you and the audience a great night every time you step on stage?

Some of us musicians and performers just aren't natural extroverts or front-people. Unfortunately being a great musician or singer alone won't always be enough to connect with a crowd in a way that will help promoting your music. The sad truth is that no amount of music promotion or music marketing will make you a success if your live performances leave audiences cold. If you're not getting the kind of gig crowd reactions you want, it's time to try a different approach.

## **LEARN: Secrets to turning even the most unresponsive audience into enthusiastic fans**

In the guide “Rouse the Crowd: How to Interact with Audiences for Gigs they Can't Forget” you’ll get a step-by-step blueprint for maximising positive audience responses at every gig – no matter how large (or small) the crowds. You’ll discover simple methods which even the most introverted amongst us can quickly and easily adopt and succeed with.
