## **Wildlife and Natural Resource Management** Kevin H. Deal

Take an in-depth look at the very complex world of wildlife, fisheries, and natural resource management with the latest edition of this popular book. Designed to provide a solid overview of conservation and environmental management, *Wildlife and Natural Resource Management*, 3rd Edition offers content that is both engaging and easy to understand. The book's comprehensive coverage includes the history of wildlife conservation in America, the history of modern wildlife and fisheries management, the various federal and state agencies responsible for wildlife and fisheries management, the financing of wildlife conservation in America, and the numerous private conservation organizations that currently exist. It also examines important current topics, such as fossil fuels and their role in our society today, and endangered species and the laws that protect them. From its detailed discussions of the subject matter, to its extensive glossary of key terms and supplemental appendices, this book is an indispensable resource that will instill a deeper understanding of the issues that surround the conservation and preservation of our natural environment.
