FAIRYTALE WEDDINGS

Ella Montague was invited to a wedding—her own!

The inspiration behind the Cinderella Ball was simple—come single, leave wed. By midnight perfect strangers could find themselves married...as if by magic!

When Ella Montague's Prince Charming had left her, she lost her faith in fairy tales. But now Rafe Beaumont was back! The Montagues had destroyed his sister's life with their romantic nonsense—he wanted revenge. He'd marry Ella and break her heart....

But once wed, Rafe discovered that marrying Ella hadn't broken her dreams of happily-ever-afters, but restored them! She'd married for love—now all she had to do was convince her stubborn husband!

"Day Leclaire's books are a joy to read..."

—Sandra Marton

From reader reviews:

Jennifer Fields:

This Shotgun Marriage book is not really ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is usually information inside this book incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. This specific Shotgun Marriage without we know teach the one who reading through it become critical in considering and analyzing. Don't end up being worry Shotgun Marriage can bring once you are and not make your tote space or bookshelves' turn out to be full because you can have it within your lovely laptop even cell phone. This Shotgun Marriage having good arrangement in word and layout, so you will not truly feel uninterested in reading.

Della McDonald:

Beside this Shotgun Marriage in your phone, it might give you a way to get more close to the new knowledge or information. The information and the knowledge you might got here is fresh from the oven so don't always be worry if you feel like an old people live in narrow community. It is good thing to have Shotgun Marriage because this book offers to you readable information. Do you often have book but you don't get what it's exactly about. Oh come on, that wil happen if you have this with your hand. The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the item? Find this book as well as read it from at this point!

Ida Acord:

Is it you actually who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Shotgun Marriage can be the answer, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Douglas Brim:

That book can make you to feel relax. This book Shotgun Marriage was bright colored and of course has pictures on there. As we know that book Shotgun Marriage has many kinds or type. Start from kids until teens. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you and try to like reading this.
