Words in Season: On Sharing The Hope That Is Within Us Leon Brown

Words in Season: On Sharing the Hope that is Within Us is a gospel-saturated introduction to the mechanics of sharing the gospel of Jesus Christ. Emphasis is on the privilege individual Christians have to share the hope that is within us, while highlighting the importance of the local church as a gospel-driven organism. The gospel message declares, through the Person and work of Jesus Christ, that we are covered in his righteousness and forgiven of our sins. Although this message does not change, our ability to convey it does. The question is, “How can Christians take advantage of sharing that hope that is within us while utilizing the good gifts God provides?” With discussion questions at the end of each chapter, Words in Season offers an avenue to help Christians understand why and how they can be witnesses of the gospel for the glory of God.
