Shane O'Rourke screws up. He has the best intentions, but doesn't always think things through. He means well, really he does. Shane gives up his old habits of stealing, lying, and using drugs, but he isn't the perfect sub. He has some slip-ups here and there. He loves his Dom, and desires to please him in every way. Shane is determined to be honest, but when he finds himself in a big mess, he would do anything to not disappoint his Dom. He fears losing Julien's love and care. One mess leads Shane into another. And this one threatens more than just his contract.

Julien Callier needs to find a way to get Shane under control. When Julien thinks his sub has cheated on him, he doubts his ability to meet Shane's needs. Shane would be devastated if he lost his collar and Julien's love. Shane's sole purpose is to convince his Dom he is worthy to wear his collar. Can their D/s relationship and their love weather Shane's mess ups and Julien's loss of trust in his sub?

This is a Gay adult consensual story focused on themes of corporal discipline punishment and explicit sex.
