Warning: Sex Scenes Jim moved into his sister Kayla's house because he couldn't stand his parents anymore. He thought that Anthony would spend a lot of time with him and it had started out that way until Anthony found out they had nothing in common. So instead of hanging out with him he would tease him and call him names. He would purposely get Jim mad at him. That is until Kayla decides to go away for the weekend with her friend to a woman's spa. A woman's weekend. While Jim is in the shower Anthony goes into his room and can't help but look at his computer, wondering what was on it. When he sees what's on it their relationship slowly changes.
