Urine therapy seems downright gross but it definitely works! Here's my two cents worth of input from my four month trial with urine therapy. Urine therapy 'cured' me of chronic fatigue, irritable bowel syndrome, fibromyalgia, dandruff, depression and bad skin. What can it do for you? Some say that drinking ones own urine is THE cure for every disease. I don't doubt it. Here you will read about my personal experiences with all the above chronic ailments and how I cured myself by ingesting my own midstream morning urine. Who'd have thought that all we need for excellent health and wellness, really does come from within our own bodies? What better mode of self-improvement is there?
